

# Coronary Health Improvement Project (CHIP)

## Leadership Training Workshop

Kelowna, British Columbia – September 4-7, 2008

The **Adventist CHIP Association** in partnership with the **British Columbia Conference of Seventh-day Adventists** presents a CHIP LEADERSHIP TRAINING WORKSHOP.

**Place:** Fellowship Hall of the Kelowna Seventh-day Adventist Church – 1130 Springfield Road, Kelowna, BC  
**Phone:** 250-860-7458

**Workshop Description:** This workshop will train individuals to conduct the Coronary Health Improvement Project (CHIP) in their local churches and communities. Created by Dr. Hans Diehl, the CHIP 30-day program features 16 video lectures and addresses the major western diseases including Diabetes, Cancer, Atherosclerosis, Hypertension, and Obesity. CHIP's outstanding clinical results have been published in peer-reviewed medical journals including *Journal of the American Dietetic Association*, *Preventive Medicine*, and the *American Journal of Cardiology*.

Scores of churches around North America are finding that CHIP ministry is not only changing lives, but is also making new friends for the church, for time and for eternity!
